GOVERNOR

JAMES K. HAVEMAN
DIRECTOR

Date: March 12, 2013

To: Basic, Limited Advanced & Advanced Life Support Agencies

From: Robin Shivley, Director
Crime Victims, EMS and Trauma Division

Subject: Updated Minimum Required Equipment List/Supplies

This notification is being sent to advise you of changes to the minimum required equipment list for BLS, LALS and ALS life support vehicles that will take effect April 1, 2013.

Although the equipment list will go into effect April 1, 2013, the department will allow currently licensed agencies, especially those agencies with limited advanced vehicles until September 30, 2013 to obtain the equipment or supplies before the agency will be marked as non-compliant on their vehicle inspection.

If you are a limited advanced life support agency and are unable to meet the equipment requirements or staffing at the AEMT level you can choose to downgrade your agency to basic life support. For directions on how to downgrade your agency you may contact Lori Lynn at 517/241-3026 or email her at lynnl@michigan.gov.
